

Smart Money: What Is It.... Where to Find It.... and How to Make Money with It

An insightful book from a Wall St. insider that shows you how to win consistently at investing, navigate uncertain markets, and stay at least one step ahead of the crowd. Sprinkled with anecdotes, written with a wry sense of humor, its an easy and valuable read for anyone looking to see what smart money should be doing today. Ernest Chu, Member of the NYSE Chairman, Green States Energy Best selling author, Soul Currency This book is for every individual investor who feels like Wall Street left them behind because they didnt have a big enough account to attract sound advice. Col. Patrick Graf, Former Director NATO Partnership Program Director of Export Compliance L III Communications This book takes the mystery out of making money Daniel Lothian, White House Correspondent CNN Tired of investing your money like the masses....? Only to lose money..? Well, here is an approach that you can use to invest with the people in the know...corporate insiders, billionaires, politicians, and the worlds most successful money managers. You dont need a degree in finance or a specialized Wall Street background to understand the insights and investing strategies in this guidebook. But you do need a willingness to learn who controls the markets; what causes bubbles to burst; why all insiders arent equal; where to find where the insiders invest. The insight and information youll learn will not only change the way you invest, but also change how you understand, relate to, and look at the world. Invest like the insiders and improve your returns with the guidance in Smart Money.
