

The little princess birthday

Wildes Fairy Tales This day is the birthday of the princess, she just turned twelve years old. The bright sun shines in the garden of the palace. Although she is a real princess, a princess of Spain, but she is like the children of poor families, every In only a birthday, so the whole nation naturally took this as is a matter of great significance, it was her birthday It should be a sunny day. The day is a sunny day. Tall striped tulips flatling In the stem of the flower, as a soldier to arrange a team at attention and arrogant looked at meadow there rose, while saying: were You are very beautiful. Purple butterfly dancing with gold powder on the wings, take turns to visit a flower; small The lizards crawled out from the cracks in the walls, lying on the day of the sun; pomegranates in the hot sun have cracked lips, dew The red heart. Even along the dark corridor on the scaffolding carved a string hanging pale yellow lemon it seemed From this wonderful sun with a layer of rich colors, magnolia trees also opened their overlapping Ivory huge Spherical flowers, the air is full of deep fragrance.
