

## Aesops Fables: A Pop-Up Book

Sumptuous collage illustrations make this timeless collection a book to cherish. Aesop's Fables are as relevant today as when he wrote them. This book contains seven of the best-known fables in pop-up: Fox and the Grapes, Dog and the Shadow, Wolf in Sheep's Clothing, Ant and the Grasshopper, Tortoise and the Hare, Bear and the Beehives, and Lion and the Mouse. The texts are presented in little affixed booklets on each spread, while exquisite collage illustrations will have young readers treasuring this collection.
