

The Government of David

You must think you're pretty smart. Isn't your Dad a doctor? Who has developed the largest collection of verbal tics, useful for transcending writers block? Self-propaganda? Ultra-fictional philosophy? Whatever it is, The Government of David is sure to entertain as well as to intrigue. Follow David Christian Baird, code-named David, through a philosophical and imaginative journey of altered dimensions. Nothing is normal anymore. Rather, we have reached the new normal... Secret Agents? Spirits? God? Perhaps the ultimate knowledge here is simply that we ~dont know what's actually happening. No one who reads this book will be unfamiliar with the mind of a schizophrenic again.
