fractal geometry and fluid Qu wave pursue doctoral dissertation at the University of British Napier core results. learn more on the fractal Its application in the fluid are discussed in detail how to use fractal fractional Brownian motion simulation of pollutants flowing track. including the Gulf and track the spread of pollutants in marine simulation. Is a practical. easy to understand reference applied mathematics learning and research books. About the Author Qu Bo. Ph.D.. Jiangsu Nantong. 1983 Bachelor of Mathematics. East China Normal University. 1986 Master of Mathematics. East China Normal University. 1992 went to England to Edinburgh Napier University (Edinburgh Napier University) studying for a doctorate in fluid mechanics research direction is fractal in...
