

Space Exploration (Eyewitness)

Help your child learn about space exploration with the new edition of this fact-packed guide, giant wallchart, interactive clip-art CD and dedicated website. From how satellites in space help us to forecast the weather to how an astronaut's body is affected upon re-entering Earth's atmosphere; let your child discover all about the mysteries beyond Earth. They'll discover more about space exploration by downloading 100s of amazing images from the clip-art CD. Then use the giant pull-out wallchart to decorate their room. Great for projects or just for fun, ensure your child learns everything they need to know about space exploration.
