

K-9 (Knightley and Son)

Darkus Knightley, tweed-wearing, mega-brained, thoroughly logical 13-year-old investigator of the weird, was just getting used to having his dad back in his life. Then Alan Knightley went off-radar, again, leaving Darkus with a traumatised ex-bomb-disposal dog as his only partner in crime-solving. Now things are getting even stranger. Family pets are being savaged by a beast at a top London beauty spot. Policemen have been tracked and attacked by a particularly aggressive canine. And two curiously alert hounds seem to be watching Darkus's house. No one is using the word werewolf yet but as the full moon approaches, it doesn't take Sherlock Holmes to work out that someone or something sinister is messing with the minds of London's dog population. A mysterious canine conspiracy is howling for the attention of Knightley & Son . . . Criminally good detective adventure, perfect for fans of Sherlock and sharp-minded sleuths of all shapes and sizes . . . www.knightleyandson.com
