Four place tables of logarithms and trigonometric functions, with Logarithmic, Trigonometric, and Mathematical Tables for Artillery. Front Cover. U.S. Government Printing Office, 1944 - Logarithms - 145 pages. **Logarithmic,**

trigonometric, and mathematical tables for artillery Mathematical tables are lists of numbers showing the results of calculation with varying arguments, before calculators were cheap and plentiful, people would use such tables to simplify and drastically speed up computation. Tables of logarithms and trigonometric functions were common in math and This was motivated mainly by errors in logarithmic tables made by the **Logarithmic, Trigonometric, and**
