

## Looking for Rex

An award-winning duo has teamed up to create a heartfelt story about anticipation, longing, and the need to compromise. Gramps longs for a dog, and all of his grandchildren agree. They decide his name should be Rex. But, where should they find Rex? And what does Rex look like? Gramps plays along with their game of Looking for Rex. They point out dogs on their way home from school but none of them are Rex. They are too small, too big, or too smelly. Why can't they find the right Rex?
