

## Miss Littles Losers (Lorimer Sports Stories)

The Brunswick Valley School soccer team are not just bad they're terrible. They haven't won a game all season and they bicker endlessly amongst themselves. They're such a disaster that their coach resigns in disgust. When, by an administrative anomaly, they qualify for the season playoffs, the only person they can find to act as coach is their former kindergarten teacher, Miss Little, who applies the rules of kindergarten to the game. To everyone's surprise, they start to win. In this hilarious follow-up to *Walkers Runners*, a struggling team learns the true meaning of success.
