

## My Philosophy of Education: Its All About Audience

Teacher and educator Nathaniel Max Rock, believes he has been called to the profession of teaching, By the will of God and the authority of Jesus Christ. In this bluntly forthright treatise on the state of education, Max lays out his perspective on multi-cultural education, federal and state standards and the harsh realities of student motivation. Additional material is included on the subjects of teacher personalities, curriculum design and the presentation of a radical high school model. Nathaniel Max Rock is an engineer by training with a masters in business. Max has been an educator since 2002 teaching the subjects of Algebra I, Geometry I, Honors Geometry I, AVID and CAHSEE test prep. 96 pages
