

A Complete Survival Bundle: Foraging Wild Edible Plants And Bushcraft Skills to Survive in the Wild (DIY Survival Guide for Beginners Book 1)

Download Your Secret Bonus At The End of The Book!! Get this kindle book for \$2.99 only! Regular Price \$6.99 Read on your Mac, Pc, Tablet, Smart Phone or Kindle Device. Book 1: Bushcraft Basics People who are experienced in bushcraft will have a sense of self confidence that those who have no idea how to survive in the wilderness will not have. Experienced bushcraft folks will know they can handle whatever comes there way and will not live in fear of the unknown and uncertain future. Those who know how to survive and thrive in the wild will be able to take care of their families and do what is necessary to make sure their children have food in their bellies and a safe place to sleep at night. Studying bushcraft does not require any money. It is something you can do on a weekend simply by getting out in nature. Reading, studying and practicing the skills you will need to survive dont cost a thing, but the satisfaction and confidence are priceless. Heres A Little Peek Inside The Book: * Finding Camp * Finding and Cleaning Water * Foraging * Defenses * Food Preservation and Gardening * First Aid * All that and much more Book 2: Foraging This book has provided pictures to help you in identifying the different plants when you see them since this is the best way to learn. And you dont need to be in the wild to get these plants; you can do that even in the city. Foraging is a great survival skill and if you want to nurture it you need to start practicing right now. Once you can forage wild edible plants, you make surviving in the wild possible not only for yourself but for your loved ones as well. Here is what you will learn in this book : * The Basics of Foraging and some rules you need to follow * Edible Weeds explained with the pictures * Edible Flowers explained with the pictures *The list of easy to identify and fool-proof varieties of Edible Mushrooms * Edible Ornamental Plants that satisfy both your

eye and palate. *Edible Herbs and Shrubs explained with the pictures Download Your Secret Bonus At The End Of The Book!!
