

The Power to Be: An Opportunity Guide for Teens

Motivational Book for Teens: Set your fears and difficult experiences aside. What we think of ourselves is most important. Real power comes from doing what you know deep down is right. Join Marie Sundquist as her words motivate teens (and anyone else) to capture and sustain the wonderful sense of peace, wellness, and goodness in their lives. The Power To Be is a welcomed key to the many doors of opportunity that can open up for all teens. As the author points out to those who listen: One voice does count: YOURS!
