

Proverbs Man and Son Soul, Body, and Spirit: Practical Steps to Empower a Spiritual Man

Their path has been guiding me to believe in the truth: the God of Abraham, Isaac, and Jacob. My great-grandfathers, grandfathers, uncles, and fathers paths were directed down the bloodline to the qualities of a Proverbs man. They believe in the saying A good name is more desirable than great riches, to be esteemed is better than silver or gold (Proverbs 22:1). The quality of holiness is shown not in what we say but in what we do in life. As a Proverbs man I meet different diversions and distractions daily, which makes me less than perfect. But I confess to the Lord daily who I am and where I want to be in Christ Jesus, and he says, Im with you always, to the end of the world. My experience with the Holy Spirit has changed my life and how I see the world. The Holy Spirit has begun to order my steps in his Word. Blessings from reading Psalm 1:6 have begun to happen in my life. Blessed is the man that walketh not in the counsel of the ungodly. My sons were raised with the Proverbs man formula. It has made a difference in their lives. Now they have discipline, love, respect, and ownership for their lives. Blessed be the man who reads and does Gods mighty works.
