

Sasha Cohen: Fire on Ice: Autobiography of a Champion Figure Skater

Sasha's own story -- on and off the ice. Champion figure skater Sasha Cohen captured the world's attention with her exquisite spiral and outstanding layback spin at the 2002 Winter Olympics. Today she is the reigning queen of winter's most competitive sport and the most serious contender for the gold medal in 2006. For the first time, Sasha tells her amazing story, in her own words, including: Her discovery of ice skating at age 7 and the coaches who trained her. Her comeback from the injury that almost ended her career. The crushing lows and miracle wins. This is the official autobiography of the world's most captivating skater, on and off the ice.
