

Sic Semper Tyrannis ! - Volume 19: The Decline and Fall of Child Protective Services

All of a sudden a police cruiser rolled around the corner - I'd rarely seen any cop cars on that corner at night - pulled up beside me, and the cop simply ordered, Get in, Doug - a guy wants to talk to you! He didn't say I was under arrest - he simply took off without telling me where to. We drove downtown, and pulled up in front of the CPS building. He took me into the building, down a hall, opened a door, shoved me inside an office, and left. The guy sitting behind the desk had a name plate that read, Ken Burns, Social Worker. Instead of accusing me of truancy, he came straight to the point, and told me, Look, Doug, we don't want no niggers in Pocatello - so we're fixing to put you away for the rest of your life! I asked, On what charge? (OK, I'd read enough that I could spout that bit of legalese.) He held up this pack of white powder, told me it was crack cocaine (since I'd never used coke, I had no clue whether it actually was), and added that he and the cop were going to claim they'd found it on me. I naturally denied vociferously - and truthfully - that I'd ever done anything of the sort (for one thing, crack was way too expensive). Then he smiled - slyly, I thought - and offered, However, we've got a job we want done; and if you help us out, we'll not only leave you alone, but even pay you for your work.

I asked, Doing what? In reply, he handed me a photo - actually, it was one of Shane's prayer cards - of Chris, and declared, We want him taken out. He's already knocked off two of our people, so we want him gone, if you get my drift. There'd been an article about Chris in that morning's paper; I hadn't read it very carefully, but took a shot and responded, No way! I might wind up dead, too! We argued over it. I know he told me, We own the cops. We'll protect you, and threatened to throw me in the cell with a guy who'd sodomize me - he used a more vulgar term - unless I cooperated. The upshot was, he gave me a pistol and a

hundred dollar bill, and said theyd pick me up at the same spot, at seven oclock the next night. Sic Semper Tyrannis is a memoir about a time, not so long past, when men were free, religious values were taken seriously. and parents were allowed to pass on the cultural heritage to their children without governmental interference. As David Selznick remarked concerning the Antebellum South, Look for it only in books, for it is no more than a dream remembered, a Civilization gone with the wind . . . This fictional account is the story of what might have been, had Christian parents possessed the courage of their convictions. It depicts the use of spanking and other types of physical correction, from the perspective of an adolescent boy. Twelve year old Billy Martin has been suddenly uprooted from the only home he knows, in liberal Stockholm, and sent to live with his eighteen year old brother, Bob, who has recently joined an ultra-conservative religious group in Idaho. Billy, a high-spirited youth, has been allowed to run at loose ends for his entire life, and has never experienced discipline of any kind. He now finds himself in a vastly different world. Bob immediately sets about bringing his kid brother into line, and giving him the Biblical discipline that he, and the other sect members, consider essential to proper child rearing. Billy strives to come to grips with the new reality. While the characters are wholly imaginary, the issues they confront are real, and threaten to undermine the very foundations of our civilization. This work does not contain any erotic material, but is a sobering assessment of todays child rearing practices in the United States and Western Europe. This is the inieteenth volume of a more extensive saga, which traces the course of Billy and his friends as they struggle through the years of adolescence. It should be required reading for every adolescent boy, his parents, and all those who seek to influence him.
