

The Butterfly Club

Tina is a triplet, but shes always been the odd one out. Her sisters, Phil and Maddie, are bigger and stronger and better at just about everything. Luckily they look after teeny-tiny Tina wherever they go--but when the girls start in scary, super-strict Miss Lovejoys class, theyre split up, and Tina has to fend for herself for the first time. Tina is horrified when shes paired up with angry bully Selma, with whom nobody wants to be friends. But when Miss Lovejoy asks them to help her create a butterfly garden in the school playground, Tina discovers she doesnt always need her sisters--and that theres a lot more to Selma than first meets the eye.
