

## The Curse of the Campfire Weenies: And Other Warped and Creepy Tales (Library Edition)

[Audiobook CD Library Edition in vinyl case.] [Read by Paul Michael Garcia] In his third collection of warped and creepy weenie tales, David Lubar, critically acclaimed author and master of the macabre, travels deep into the shadowy corners of his mind to deliver thirty-five stories of laughter and terror to tickle your horror bone. Learn the real reason why clowns are scary, discover the truth about allergy shots, and find out why you should always be nice to your math teacher. Full of thirsty vampires, hungry insects, evil power tools, singing Girl Scouts, and other terrors, these tales go darker, weirder, and stranger than ever before. And at the end of the book, the author reveals the inspiration behind each of the stories.
