

The Fight of Your Life: Why Your Teen Is at Risk and What Only You Can Do About It

Christian parents today feel replaced as the primary influence in their teens lives--undermined at school, invaded by the web, and in the dark about whats really going on. Truth is, says teen expert Jeffrey Dean, parents dont know the half of it! In The Fight of Your Life, Dean offers a frank, solutions-oriented plan for parents who want to protect their teens from dangerous choices and guide them toward Gods bestand are ready to fight to make it happen. First Dean gives parents a shocking but invaluable inside view of what teens are up against. Then he helps parents discover their irreplaceable role in their kids success. Along the way he tackles hot button issues--sex, partying, porn, cheating and eating disorders--and coaches parents on how to protect and grow a healthy relationship with their teens.Packed with hope and solidBible teaching, The Fight of Your Life gives parents the tools they need to help their teens discover their exciting futures as passionate Christ followers and positive, world-changing adults.
