

## Flower Explorer: Sticker & Activity Book

Bright, colorful flowers are aplenty in this delightful sticker and activity book. Join in the fun by coloring in the missing petals, matching seeds to flowers, and adding a bee or two to the scenes. Flower Explorer is much more than just a sticker book, there are fun and interesting facts dotted throughout. With dot-to-dot, easy entry-level sudoku which uses pictures of flowers (rather than numbers) and a wordsearch, this is sure to keep little hands entertained for hours.
