A is for apple (and artichoke, alligator, ant, and armadillo). Queen Annes lace, quail, and Queen conch begin with a Q, while the letter Z is the starting point for Zebra moth, zinnia, and zucchini. Along the way, from A to Z, easy-to-color pictures will introduce you to other letters of the alphabet as well as many natural wonders--from the tiny lily-of-the-valley and the amazing kangaroo, to puffy white clouds and the gentle llama. Twenty-nine pages of black-and-white drawings with identifications are accompanied by big and little letters of the alphabet.
