

Oregon Tale

A small coastal town in the Pacific Northwest, a religious cult take-over and the domestic disturbances of premature marriage--the plots blend into one whirling tempest called Oregon Tale. The enigma of emotionally misguided young women unfolds as Amy Holman vanishes to Seattle to find herself. Her husband struggles with a failing business and continually growing sorrows. Gina Fiore drops out of high school only to enter the most vicious trap of her life--marriage to Brett Daniels and the three children he leaves her with.
