

Tiptoe Through Tasmania (Around the World Adventures Book 1)

Jaden and Max are in over their heads but its too late to turn back now.... It all began on summer vacation when their world famous Uncle Teto lured them into helping him on some of his dicey wildlife missions.

Now, the boys must journey across the Pacific Ocean to Tasmania. Racing against the clock, they search for an endangered Tasmanian devil and try to save the species. Along the way, they face wild animals, an unruly jungle, and constant danger. Will they succeed-or will the untamed island stop them in their tracks?
