

## Trading Goals (Lorimer Sports Stories)

When Vicky and her mom pack up and move across the city to a new neighborhood, it means switching schools and leaving behind her best friend and her soccer team. Now she'll have to try out for goalkeeper with her former rivals, deal with racism at her new school, and struggle to maintain loyalty to her old friends while making new ones. Vicky is awesome in net and tries to keep focused on her goals and the game she loves, but it's not easy without the support of her friends and family. [Fry reading level - 4.6]
