

Trading Systems: Secrets of the Masters

In this book, Joe Krutsinger, author of the Trading Systems Toolkit, and Larry Williams along with 13 other well-known professional traders answer direct questions about the systems they developed to beat the markets. Not mysterious black box systems that generate uncheckable buy and sell signals, these actual, coded systems with sample results are included in this book for you to try. Ready to be entered in TradeStation, these programs and the seminar-leading experts' advice would cost you many thousands of dollars if purchased separately.
