

Dogboy

Brind Discovered as a baby in Sir Edmunds kennels, Brind has grown up with the mastiffs. He plays with them, eats with them, and sleeps in their den. Brind understands dogs better than he understands any human. Glaive The largest and most powerful dog in the pack, Glaive is Brinds best friend. He would do anything for the dog boy, even race straight into battle. Aurelie Thrown out of her home as the French army prepares for the English invasion, Aurelie can either beg outside the town wall with her mother, or fight the enemy herself. She has never been one to sit still. When the English and French armies clash at the Battle of Crecy, there will be honor, treachery, loss, chivalry and glory. For Brind, Glaive, and Aurelie, this is only the beginning.
