

Alley Kids: Riding Bikes

Westnedge Avenue in Kalamazoo is a boisterous busy street. Our house sat on the corner at the top of Westnedge hill. A sleepy brick road alley ran behind our house, and was the source of adventure and amazement for 8 years of my life. In Alleykids, I remember my life in the alley and wonder where my childhood went. A rosy picture of childhood in the late 70s. In Alley Kids: Riding Bikes, I remember the neighborhood from the seat of a bicycle. I also capture the joy of a new bike rider and the child's spirit of exploring the neighborhood.
